# Programme for Implementation of International Care Services

- Implementation of a National Contact Point eHealth in European Network
- Exchange of Patient Summary between Healthcare professionals
- Patient Summaries in **original language and translated to English & Dutch**
- Five Hospitals (Saxenburgh Groep, Erasmus MC, Maastricht UMC+, ZorgSaam en Spaarne Gasthuis) are the first group where the Emergency departments (SHE) will be connected to the NCPeH.

# Single Digital Gateway Resolution

- Regulation applies 1-to-1 in all member states
- Touches all government layers in the Netherlands
- All EU citizens and businesses are given access to information and procedures from other Member States
- **Member States shall make the information accessible in an official language of the Union that is broadly understood by the largest possible number of cross-border users**
- "Without discrimination" between national residents and other EU residents
- Implementation period 2 - 5 years
